Partnership

In 2026, Stichting NAP celebrates its 65th anniversary, a significant milestone that will be marked in a special way during the NAP Jubilee Conference. For 65 years, NAP has stood for collaboration, knowledge sharing, and progress within the Dutch process industry and equipment manufacturing sector. These values continue to form the foundation of a strong and future-proof industry today. The anniversary offers a unique moment to reflect on this strength and to look ahead together.

As a partner of the Jubilee Conference, you align your organization with this meaningful milestone and enhance your visibility within a relevant and engaged network. You position your brand as a partner in collaboration, innovation, and resilience in a dynamic environment. We offer a range of partnership opportunities to shape your visibility and involvement in a way that fits your objectives. From broad exposure to exclusive partnership options, there is room for tailored solutions aligned with your communication goals.

Together, we will make NAP's 65th anniversary a moment that connects, inspires, and leaves a lasting impression.
